Scrap metal not accepted at Līhu'e refuse transfer station March 6 to March 10

LĪHU'E – The Department of Public Works Solid Waste Division announces the Līhu'e refuse transfer station (RTS) will not be accepting residential scrap metal for recycling from March 6 to March 10 due to equipment issues.

Customers should transport their metal to the Puhi Metals Facility during this period. Puhi Metals is located at 951 Puhi Road in Līhu'e and is open Monday to Saturday from 7:30 a.m. to 3:30 p.m. They can be reached at 808-245-6919. For more information, you may visit <https://www.kauai.gov/metalrecycling>.

This is also a reminder that commercially-generated metal is not accepted at any refuse transfer station and must be transported to Puhi Metals directly. Tip fees apply for commercially generated metals which are also restricted from disposal at Kekaha Landfill.

For questions or concerns, please email solidwaste@kauai.gov or call 808-241-4841.
